

# Engaging Developer in Security with Hands-on Training

**Fletcher Heisler**

Director, Developer Enablement,  
Veracode

**DEVOPS  
WORLD**  
by CloudBees

# Security training answer key:

---

- Easy to start and easy to use
- Available in small pieces
- Recurring throughout the year
- Relevant tech and topics
- Encourage friendly competition
- Encourage mentorship
- Give hands-on practice
- Focus on practical skills
- Reward engagement

# Stop by the Veracode booth
