

The background of the entire page is a dark grey or black surface covered with white, hand-drawn tactical diagrams. These diagrams include various symbols such as 'X' marks, 'O' marks, lines, and arrows, which are commonly used in sports strategy to represent players, teams, and movement. The drawings are scattered across the entire area, creating a complex and strategic visual texture.

**SPECIALIZED ITEMS** Levy Restaurants will endeavor to fulfill special menu requests, including kosher, vegan and vegetarian meals, whenever possible. We appreciate advance notice for this service and ask to be informed when orders are being placed.

**BANQUET EVENT ORDER & CATERING AGREEMENT** A Banquet Event Order (BEO) outlining all catering services will be provided in addition to a Catering Agreement. The signed contract states terms, addendum, and specific function sheets that constitute the entire agreement between the client and Levy. Both these documents must be signed and fully executed in order to confirm the event on a definite basis. Any changes, revisions, additions or deletions to the banquet contract and banquet event orders shall be in writing and signed by both parties.

**PAYMENT PROCEDURE & SERVICE CHARGE** Levy Restaurants requires a credit card authorization to be completed when placing orders. This card will serve as form of payment for your deposit, and the final remaining balance due, based on the estimated total cost of the event. The final balance will be processed (3-7) business days prior to the event date. Any remaining balances will be settled upon conclusion of the event and processed to the credit card on file.
