

SINGLE BAY BASKET SWING

Intended user age: 2-12

PRODUCT INFORMATION

ASTM F1487

A Basket Swing makes the swinging experience that much more social as multiple children can sit or perch together for a thrilling ride. This basket swing has a net bottom and is a familiar and popular piece of playground equipment

Maximum height: 12'-0"
Fall height: 8'-9"
Area of Safety Surfacing: 518 ft²

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
