

PRODUCT INFORMATION

ASTM F1487

The Magnacus encourages problem-solving and thinking skills in a fun and magical way. Children (or teens and adults!) of all ages can experience the wonder of watching the beads move seemingly by magic, allowing their imaginations to blossom. The Magnacus invites children to work together, encouraging cooperation as the beads move from one end to the other.

Maximum height: 6'1"
 Maximum fall height: N/A
 Area of Safety Surfacing: N/A
 User Capacity: 2

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment, please contact Earthscape Collections at collections@earthscapeplay.com
