

DOUBLE HAMMOCK - STANDARD

Intended user age: 18m-12y

PRODUCT INFORMATION

CSA Z614

The Double Hammock really is twice the fun! Children can play together and socialize, each while rocking in his/her own hammock, or they can sit or lie down together, allowing more children to gather together at one time. The Double Hammock offers greater flexibility within a medium-sized play space. Hammocks are available in flexform or rope.

Maximum height: 1.8 m
Maximum fall height: 1.0 m
Area of Safety Surfacing: 46.0 m²
User Capacity: 2

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.
