

FOREST DUO

Intended user age: 5-12

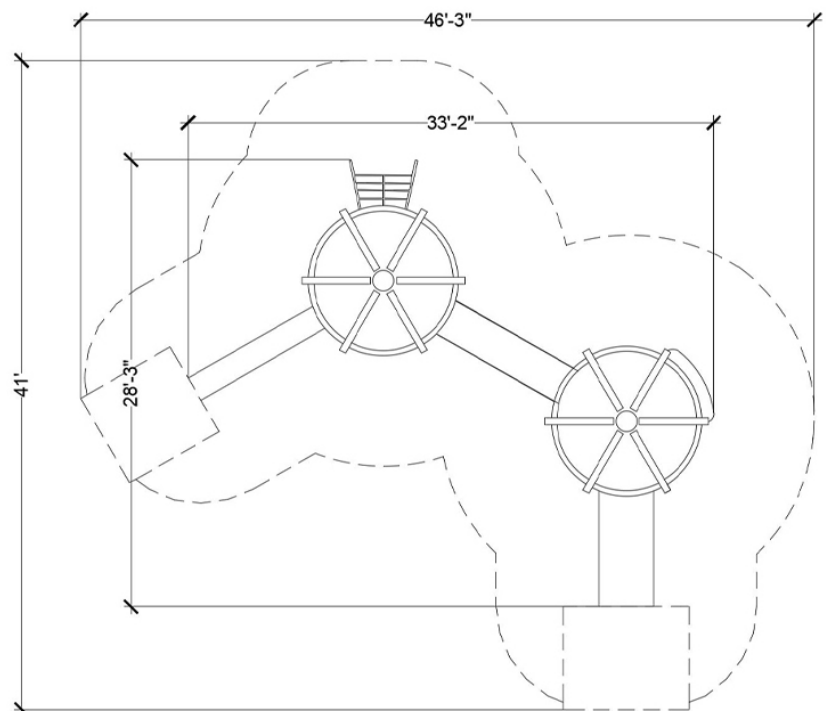

PRODUCT INFORMATION

ASTM F1487

The Forest Duo combines the Forest Hut with a Forest Tower full of spiraling climbing play. The two Towers are connected via an ADA accessible flexform bridge. The taller Forest Tower has spiraling nets to 2 higher levels that offer a birds' eye view as well as a 6 foot high stainless steel slide and a net scramble climber with direct access from ground level into the Tower.

Maximum height: 26'-9"
Fall height: 6'
Area of Safety Surfacing: 1071 ft²

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.
