

PRODUCT INFORMATION

CSA Z614

Balance between two posts to climb as high as you can, then jump or climb back down! Notched Play Posts are available in two heights, 2.4m and 3m above surfacing. They work well alongside other Log play elements and can be used in combination to create circuits of adventure play. Notched Play Posts are a simple climbing feature and best when used in multiples!

Maximum height: 3 m
Maximum fall height: 1.8 m
Area of Safety Surfacing: 13.5 m²

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
