

PRODUCT INFORMATION

CSA Z614

The Offset Ladder Grid is a fun natural playground element where you can race your friends to the top of the beam! It is accessible for young children and a great place to hang out with friends. Children can climb the net in all directions - horizontally, vertically and diagonally, finding new routes with each attempt.

Maximum height: 3 m
 Fall height: 2.8 m
 Area of Safety Surfacing: 30.5 m²

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
