

PRODUCT INFORMATION

CSA Z614

The smaller Pine form has one peak and a small interior to encourage climbing and reflection! The small Pine forms has cut-outs for hands and feet that simultaneously create light and shadow play on the inside. Children can suspend themselves on the inside and meet and gather to plan their next playground game.

Maximum height: 1.4 m
 Fall height: 1.4 m
 Area of Safety Surfacing: 22.7 m²
 User Capacity: 4

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
