

SLIDE PLATFORM 900

Intended user age: 18m-5y

PRODUCT INFORMATION

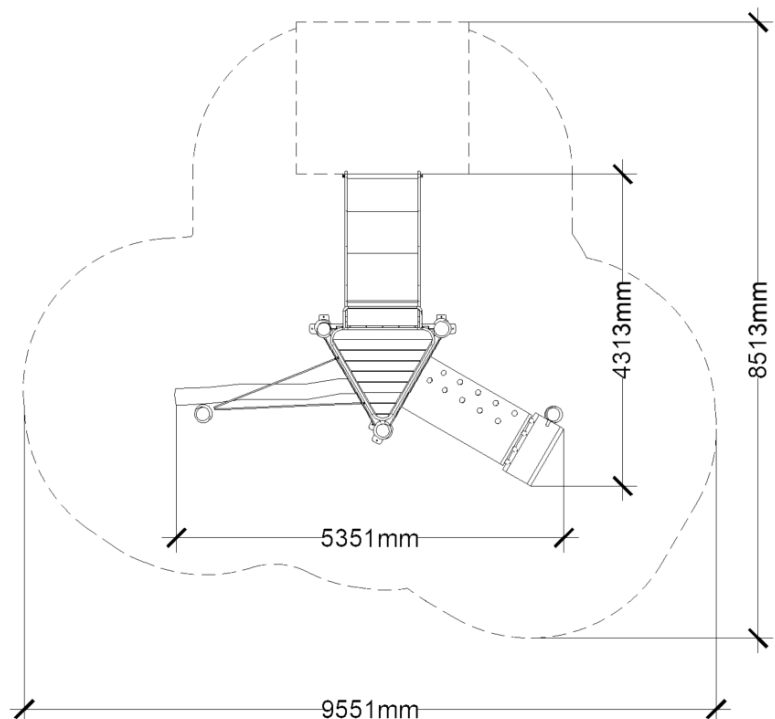

CSA Z614

The Slide Platform 900 is a great way to incorporate a slide into your junior adventure playground area. The Slide Platform is a beautiful, accessible complement to other natural wood playground structures. Children can play alone or with others; the platform is large enough to hold several children who may imagine themselves on the bow of a ship or perched in a treehouse!

* STAINLESS STEEL CONFIGURATION SHOWN, PLASTIC SLIDE AVAILABLE.

Maximum height: 4.3 m
Maximum fall height: 1.7 m
Area of Safety Surfacing: 57.1 m²

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
