

PRODUCT INFORMATION

CSA Z614

Log Steppers are so simple, yet have so much play value. They are available in four different heights, 150mm, 300mm, 450mm, and 600mm. Children, teens and adults of all ages enjoy hopping between Log Steppers. They are a perfect and easy way to functionally link different natural playground elements. Log Steppers can be used individually or in groups.

Maximum height: 600 mm
Maximum stepper (fall) height: 600 mm
Minimum stepper height: 150 mm
Area of Safety Surfacing: 13.5 m²

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
