

JUNIOR FORM - PINE SMALL

Intended user age: 2-5

PRODUCT INFORMATION

ASTM F1487

The smaller Pine form has a single peak and a small interior to encourage climbing and reflection! The small Pine forms have cut-outs for hands and feet that simultaneously create light and shadow play on the inside. Children can suspend themselves on the inside and meet and gather to plan their next playground game.

Maximum height: 4'6"
Fall height: 4'6"
Area of Safety Surfacing: 245 ft²
User Capacity: 4

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
