

## PRODUCT INFORMATION

CSA Z614

The large net stretching across the full width and length of the M4 Log Jam is a fantastic spot for a group of kids to literally 'hang out'. The M4 Log Jam can hold upwards of 10 children. It has a small to medium size square shaped footprint. With lower level play and two higher beams, it has graduated challenge levels for children to work toward.

Maximum height: 3.7 m  
 Fall height: 2.1 m  
 Area of Safety Surfacing: 61.2 m<sup>2</sup>

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
