

PRODUCT INFORMATION

CSA Z614

Log Jam S5 is a small, simple Log Jam with a triangular footprint. It is an excellent stand alone junior log climber that also works well in tandem with other log jams or post and rope play pieces. This is a lower challenge structure within our Log Jam collection.

Maximum height: 3.1 m
Fall height: 1.5 m
Area of Safety Surfacing: 51.4 m²

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment or require changes, please contact Earthscape at 1-877-269-2972.
