

INCLINED MONKEY BARS - HIGH

Intended user age: 5-12

PRODUCT INFORMATION

CSA Z614

Monkey bars have been a staple at playgrounds for a long time and are enjoyed by children of all ages. The Incline Monkey Bars High offer a larger challenge for older children when swinging on the incline; this allows for greater coordination, strategic planning, strength and core development, and perhaps most importantly increased fun!

Maximum height: 2.8 m
Maximum fall height: 2.1 m
Area of Safety Surfacing: 39.2 m²
User Capacity: 6

The highest designated play surface and space required are according to CSA Z614. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.

If you have questions about the equipment, please contact Earthscape Collections at collections@earthscapeplay.com
