

# INCLINED MONKEY BARS - HIGH

Intended user age: 5-12

## PRODUCT INFORMATION

ASTM F1487

Monkey bars have been a staple at playgrounds for a long time and are enjoyed by children of all ages. The Incline Monkey Bars High offer a larger challenge for older children when swinging on the incline; this allows for greater coordination, strategic planning, strength and core development, and perhaps most importantly increased fun!

Maximum height: 9'1"  
Maximum fall height: 6'10"  
Area of Safety Surfacing: 422 ft<sup>2</sup>  
User Capacity: 6

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.
