

DOUBLE HAMMOCK - STANDARD

Intended user age: 2-12

PRODUCT INFORMATION

ASTM F1487

The Double Hammock really is twice the fun! Children can play together and socialize, each while rocking in his/her own hammock, or they can sit or lie down together, allowing more children to gather together at one time. The Double Hammock offers greater flexibility within a medium-sized play space. Hammocks are available in flexform or rope.

Maximum height: 6'0"
Maximum fall height: 3'4"
Area of Safety Surfacing: 505 ft²
User Capacity: 2

The highest designated play surface and space required are according to ASTM F1487. A buffer is included in the fall zone to account for fabrication and material variations.

Resilient safety surfacing is required within the fall zone of equipment.
