Article | Fast Company

No longer just general counsel: Business leaders with law degrees

In a new article for Fast Company, UnitedLex CEO Dan Reed argues that resisting modernization prohibits legal teams from evolving into true business partners to help their organizations reduce costs, generate revenue, and mitigate risk.

Super Bowl LVII: Celebrating a Hometown Win!

Congratulations to Super Bowl Champs Kansas City Chiefs! From our headquarters in Kansas City to offices in Gurgaon, India, we had a blast cheering the team on and celebrating the big win. (And yes, that's Dan Reed, our CEO, sporting the QB's jersey!)

Thank you for reading this month's *Data Matters* newsletter. We hope you found it valuable! Please share it with your colleagues and professional network, and visit [our website](#) for more resources and information. We look forward to connecting with you again next month.
