Pet insurance FAQ

What is pet insurance?

Pet insurance reimburses you for your pet's eligible vet bills. It's a smart way to make sure you can afford to keep your pet happy and healthy, whether it's an emergency or a routine office visit.

How does it work?

Just pay your vet bill at your visit, then submit a claim for reimbursement.

What does it cover?

Nationwide® has coverage options for accidents, injuries, illnesses and wellness care for dogs, cats, birds and exotic pets.
