beyond reach**

# Guti's story

# Water brings life

# Did you know...?

Water is a  
basic human  
right

About 1 in 10  
people in the  
world live  
without clean  
water.

“I was thirsty  
and you gave  
me a drink”

Matthew 25:35

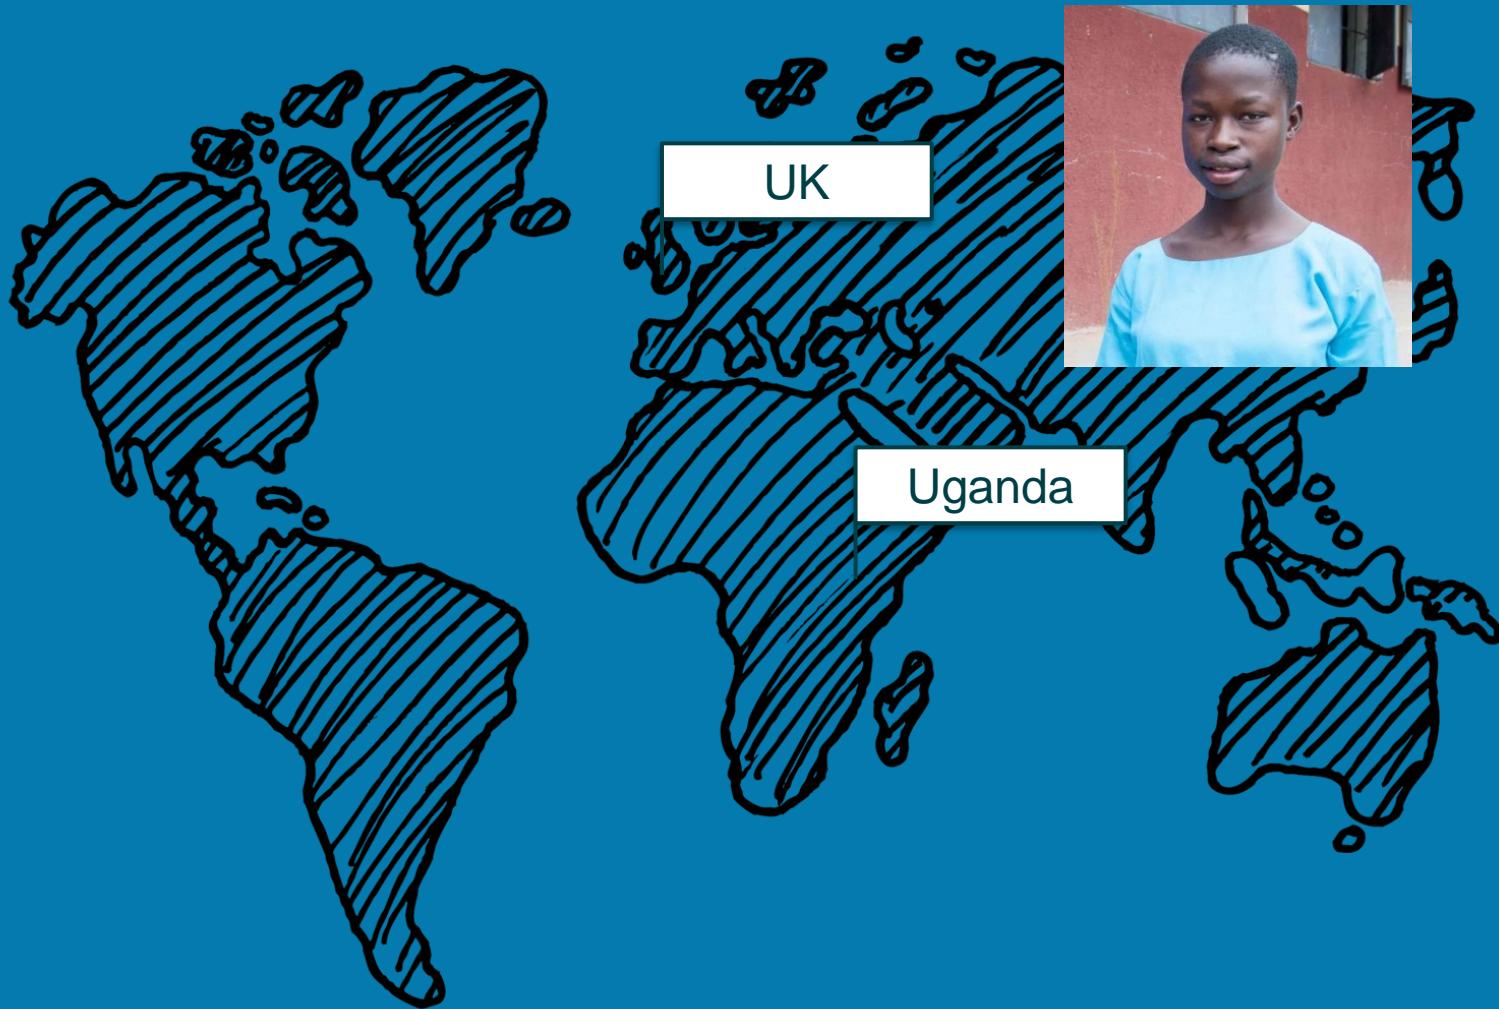

Without  
water, people  
cannot reach  
their  
potential.

Life

Loving God,

We think of all the people around the world who have no access to clean, safe water.

May our gifts, prayers and actions support them as they work to improve the lives of their communities.

Together, may we build a world where everyone has access to water, can go to school and can achieve their potential.

Amen
