In 2022/23 CAFOD spent £41.8m on grants and programme payments made up of; 505 grants (2022: 504) to third parties totalling £38.44m (2022: £25.33m), plus 89 CAFOD-managed grants (2022: 55) for programme payments made in support of partners for programme activities totalling £3.42m (2022: £2.37m), less realised and unrealised exchange gains and losses of £0.08m (2022: less realised and unrealised exchange gain of £0.47m).

Grants are made within long term strategies agreed with our partners. Programme payments are programme activities related to partner grants that are managed by CAFOD, often made where several partners are working together within an overall thematic programme.

Before individual grants and CAFOD managed programme activity budgets are agreed, project proposals are subject to a formal assessment and approval. All projects are systematically monitored for the duration of their existence, and major projects are subject to a final evaluation review.
