CAFOD's Young Leadership programme offers students in Year 12 an opportunity to take the lead and make a difference by standing up and speaking out to bring about real change

Why do CAFOD have a leadership programme?

CAFOD invests in the Young Leadership Programme because we recognise that young people make a difference.

By meeting the Young Leader Challenge, you will be helping CAFOD to support projects that bring about long-term change around the world.

Set yourself apart from the crowd

What do you gain?

You will develop skills in leadership, teamwork, time management, communication, influencing and problem solving. Skills which are transferable to your future self.

Volunteer for an international development agency

What do CAFOD gain?

We get you, your skills, enthusiasm, creativity and unique abilities. We gain a group of students who are knowledgeable, engaged, motivated agents of change who share CAFOD's mission to challenge and transform structures that drive poverty.
