

# CAFOD CLUB

## Autumn term plan Suggested activities for your club

### This term your challenge is to **fundraise!**

We need your club to come together and raise money to support our global family!

Our target this term is to help communities have access to water during times of drought.

Meet Abbiott, Adi and Abadhadlee in our Autumn resources and help us to fundraise for a better world through World Gifts.

[Order your fundraising pack](#) – it's full of posters, stickers and ideas for raising money!

### Watch our new film about solidarity and subsidiarity

This Harvest we are thinking about how a better world needs all of us.

Meet Abbiott and Adi in our new film. They have designed a water tank project in Ethiopia to help communities in times of drought.

With your help, and his expertise, Abbiott will have what he needs to continue developing a new water tank that's bringing hope to communities affected by years of drought.

# CAFOD CLUB

## Season of Creation

Join pupils from St Joseph's Catholic Primary School in Sheffield to find out how we can continue our Jubilee journey in this Season of Creation.

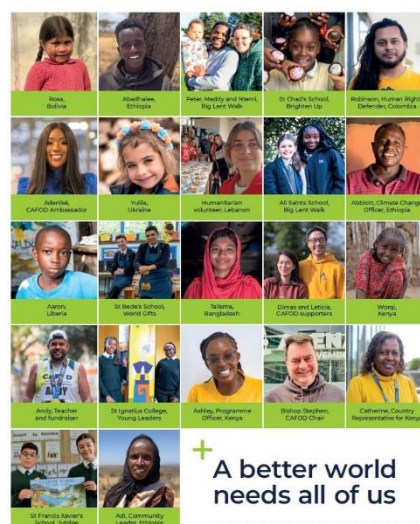

[You can join us live on Thursday 11 September at 9.30am or watch it as a school afterwards!](#)

## A better world needs all of us

Look at our new poster and think about how a better world needs all of us. Why not order more posters and share some of the stories with your school through an assembly?

## Continue the Jubilee journey!

Did your school make your Jubilee Pledge in the summer? This autumn there are so many ways to live out your Pledge and continue your Jubilee journey!

Is your school on the [Jubilee Pledge map](#)?

Are you displaying your Pilgrims of Hope banner outside your school? You can order one [here](#)
