

## Dare to care: and speak out

Here at CAFOD, we are preparing an online school assembly for September looking at **“The world we want...”**

You can speak out and take part by capturing a photograph of yourself holding an A4 landscape piece of paper or card with the words “I want a world ....”

Complete the sentence any way you wish. For example: “I want a world where everyone is treated fairly”.

Your sentence must be short and must be written large enough for people to see on screen.

IMPORTANT: Ask your parents to complete the Consent Form on this week’s home learning page. Email the photo and your Consent Form to [youth@cafod.org.uk](mailto:youth@cafod.org.uk).

---

We will use as many of the photographs as we can.  
So remember to look out in September and see if you can  
spot your sentence in the assembly!
