

It's the Jubilee Year! Spring 2025

This year is extra special – it's a Jubilee Year! Pope Francis asks us all to be Pilgrims of Hope, to work together and pledge to build a fairer world.

Here are some Jubilee activities to help you get started on your journey towards your Jubilee Pledge.

Join us for the Jubilee Launch Day!

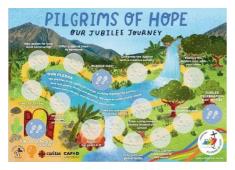

Gather as a group or organise for your class, or even your whole school, to watch our Jubilee Launch Day film. Find out why we are called to build a better world and take a special Pledge together.

Watch the film here on the 24 January

Watch the Jubilee animation together

What is a Jubilee Year and why has Pope Francis asked up all to be 'signs of hope' in our world? <u>Watch the</u> <u>animation to find out more!</u>

Order a Pilgrims of Hope map

There are so many ways to be 'signs of hope' this year. <u>Order a Pilgrims Map</u> and as you journey through the Jubilee Year, use the stickers to tick off all the actions you have taken towards your Jubilee Pledge.

Why not order some free <u>Jubilee prayer</u> <u>cards</u> to give out to your classmates?

It's not fair activity

Pope Francis has asked us to be signs of hope for others. He encourages us to put Catholic Social Teaching into action through caring for our common home and supporting our sisters and brothers who are experiencing war, hunger or poverty. We know that the world is facing many of these challenges. <u>Find out more by</u> <u>running this activity as a club</u>

Join the Big Lent Walk!
