

Laudato Si' song lyrics

Chorus: Laudato Si'

Praise be

Laudato Si'

Praise be to God.

Laudato Si'

Praise be

Laudato Si'

Praise be to God.

There's beauty in this world,
In every leaf, in every creature.
Woven together by love,
Each connected to each other.

Chorus: Laudato Si' (Care for our Common Home)

Praise be (Care for our Common Home)

Laudato Si'

Praise be to God.

Laudato Si' (Care for our Common Home)

Praise be (Care for our Common Home)

Laudato Si'

Praise be to God.

Earth is a treasure for all,
We must treat it with care, this gift we're given.
Don't take more than you need so that we can all share
This world we live in.

Chorus: Laudato Si' (Care for our Common Home)

Praise be (Care for our Common Home)

Laudato Si'

Praise be to God.

Laudato Si' (Care for our Common Home)

Praise be (Care for our Common Home)

Laudato Si'

Praise be to God.

Laudato Si (Care for our Common Home)

Praise be (Care for our Common Home)

Laudato Si

Praise be to God.
