Fundraise to help families in Sudan

“I am closer than ever to the Sudanese population, in particular families, children and the displaced.”

Pope Leo

Millions have been fleeing conflict and face hunger as the war in Sudan enters its fourth year.

£5 can help buy hygiene kits for families who need the essentials.

£12 a month can help buy chlorine tablets to make water safe.

£20 a month can buy a regular food basket for a hungry child.

**Please pray and please give.
Every gift is needed.**
