Autumn Term Guide to the Jubilee

The Jubilee journey continues – be a part of it!

As we enter the final term of this extraordinary Jubilee Year, we celebrate the remarkable journey so far — a journey shaped by the faith, creativity, and compassion of children and young people across Catholic schools in England and Wales. In a world facing many challenges, Catholic school communities have shone brightly as pilgrims of hope, showing what it means to live with hope, and putting faith into action.

Let's make this final term a time of joyful witness and commit to being builders of a better future — because a better world needs all of us.
