

CAFOD CLUB

Summer term plan 2024

Suggested activities

This term your CAFOD club challenge is to take action on the things that matter to you. Our resources called 'Young People Demand Change' are inspired by Pope Francis' call to action and Catholic Social Teaching – find out more about previous campaigns and why making your voice heard is important at cafod.org.uk/demandchange

Watch our film about Jenny in Colombia

Learn about Jenny's life and work, and how she works together with children in her area to look after the Earth, our common home. Find out how they influence decision makers in the community. Why not [show the film](#) to somebody at home, or ask your teacher to share it with your class?

Get Creative for Climate Justice!

Join hundreds of schools across the UK in getting creative for climate justice! Find out about how the changing climate is affecting our sisters and brothers around the world, create an artistic piece and you could be selected to come to UK Parliament early next year and talk to MPs about what matters to you.

[Explore the resources and watch the film about last year's project](#)

CAFOD CLUB

Emergency resources – Sudan Crisis Appeal

An important part of the work that CAFOD does is helping people in emergencies, like floods, earthquakes, droughts and famines. Because of our Caritas family we can find out what has happened, and what people need as soon as possible during or after an emergency.

Use our [Sudan fundraising assembly](#) and find out how you can fundraise to help people in Sudan who are caught up in a war and are risk of famine.

General election 2024

This year is being called the year of elections by some people, as nearly half the world will be voting in 2024 for who represents them and makes their laws. Find out how you can get involved in the election with CAFOD with our [new resource pack](#).

Run a celebration of the word

We have a [celebration of the word resource](#) to help your club explain to the rest of the school what you do, what you believe and how you are building a brighter world!

Good luck!

We can't wait to hear how your CAFOD club helps to build a brighter world together this term!
