

# CAFOD CLUB

## Summer activities

Did your school make a Jubilee Pledge? This summer marks a year since we all pledged to build a better world. Here are some ways you can live out your Pledge!

### A million acts of hope

#### A million acts of hope

There is far more that connects us than divides us. Join together to celebrate a Million Acts of Hope in May! Take a photo of how you are sharing hope and tag @CAFOD on social media! [millionactsofhope.org](https://millionactsofhope.org)

#### Fundraise for a World Gift

In 2025, schools like yours fundraised for Water World Gifts and provided 72 families with a water supply! But we want to go further! Could you fundraise to support more communities to have clean, safe water this summer?

#### Celebration of the word

Why not run a Celebration of the word for your class or even in an assembly if you feel confident? We have PowerPoints and reading parts to help you, all on global themes!

# CAFOD CLUB

## Postcards of hope

Share your messages of hope, joy and love with friends and family to help build a better world.

[Download and cut them out!](#)

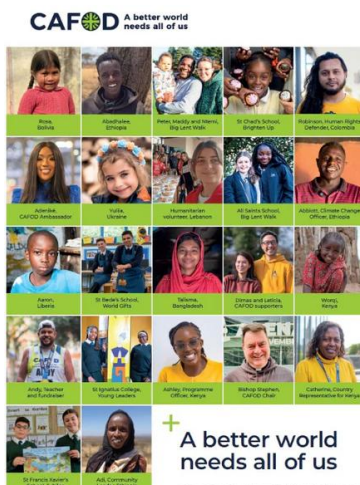

## Refugee Week

Watch our Refugee animation to mark Refugee Week in June. Take a look at our 'On the move' activity too as you explore the issues and think about people who need to flee their homes.

## Free poster!

A better world needs all of us! Have you seen our new poster? You can order it for free! Why not stick it up as part of your CAFOD Club display, or ask a teacher to stick it in your classroom or school foyer, so that we can all remember that we are part of building a better world, together.
