"The child's father and mother were amazed at the things Simeon said about him."

Today we remember Jesus lived with, loved and learned from his family. We think about how we can love and learn from our own families and those we live with.

Draw a picture of your family in the frame. You could write a list on the back of this sheet of the things that you love about them and the things that you have learned from them.

Pray for all the members of our global family this week. Use this prayer to help you.

Dear God,
Speak to our hearts and help us see that we are one big family.
Old or young, short or tall, wherever we live, you made us all.
Help us to share, however hard it seems, to make our world fair,
and live out our dreams.
Amen.
