

Strictly Necessary Cookies

First Party Host	Cookie Name	Description	Expiry Duration	Expiry Unit
booking.elnosshopping.info	accessToken	This cookie is typically used for authentication purposes to store a user's access token after they have logged in to a website. It is essential for managing user sessions and providing access to secure areas of the site.	0	Days
elnosshopping.info	OptanonConsent	This cookie is set by the cookie compliance solution from OneTrust. It stores information about the categories of cookies the site uses and whether visitors have given or withdrawn consent for the use of each category. This enables site owners to prevent cookies in each category from being set in the user's browser, when consent is not given. The cookie has a normal lifespan of one year, so that returning visitors to the site will have their preferences remembered. It contains no information that can identify the site visitor.	1	Years
booking.elnosshopping.info	ARRAffinitySameSite	The ARRAffinitySameSite cookie is a cookie used by websites that run on Microsoft Azure to ensure that page requests from visitors are directed to the same server during a browsing session.	1	Years
booking.elnosshopping.info	ARRAffinity	This cookie is set by websites run on the Windows Azure cloud platform. It is used for load balancing to make sure the visitor page requests are routed to the same server in any browsing session.	1	Years
elnosshopping.info	ak_bmsc	This cookie is associated with Akamai and is used to differentiate between traffic from humans and bots.	0	Days
elnosshopping.info	bm_sv	This cookie is associated with Akamai and is used to differentiate between traffic from humans and bots.	0	Days
elnosshopping.info	bm_mi	This cookie is associated with Akamai. It is used to analyse traffic to determine if it is automated traffic generated by bots or a human user.	0	Days
elnosshopping.info	OptanonAlertBoxClosed	This cookie is set by websites using certain versions of the cookie law compliance solution from OneTrust. It is set after visitors have seen a cookie information notice and, in some cases, only when they actively close the notice down. It enables the website not to show the message more than once to a user. The cookie has a normal lifespan of one year and contains no personal information.	1	Years

Vendor Service Name	Vendor	Description	Location	Privacy Policy

Performance Cookies

First Party Host	Cookie Name	Description	Expiry Duration	Expiry Unit
elnosshopping.info	_ga_xxxxxxxxxx	Used by Google Analytics to identify and track an individual session with your device.	1	Years
elnosshopping.info	_ga	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the site's analytics reports. By default, it is set to expire after 2 years, although this is customisable by website owners. Ga	1	Years
