

Lancaster County Puberty Parenting Class Events

 **THE CANDY FACTORY SATELLITE OFFICE
N. QUEEN STREET, LANCASTER**

Byrnes Health Education is thrilled to announce our community programs in Lancaster County. Taking place at our satellite office in downtown Lancaster, these programs are health education events designed to create an open environment to learn about puberty and the natural changes that occur during adolescence.

Subject matter includes stages of human development, hygiene importance, the major events of puberty, reproductive system basics and the menstrual cycle (specific to female programs only).

All programs are \$15 Per Person (\$30 Per Couple) and take place at the Candy Factory Warehouse D
342 North Queen Street Rear, Lancaster PA 17603
