What made you choose to live on the Burwood Campus?

Live a full life at Melbourne Burwood Campus

Living on-campus is the perfect step between living at home and living independently. It's a place where you can safely navigate uni life with excitement (think making new BFF's, expanding your cooking repertoire, and mastering a budget) so you can make the most of your uni experience.

Get Connected

Nestle straight into Victoria's happiest university*. Our helpful humans (Residential Leaders) will be on-hand to get you settled in and connected. Melbourne Burwood offers a tight-knit, welcoming and inclusive community, with lots of opportunities to meet new people, learn new skills and immediately feel at home.

Belong Better

With one ear to the ground and one to your heart, we'll lift you up, or give you a nudge so you become part of your new community. We are intentionally inclusive, celebrate diversity and believe everyone has a voice. So, no matter your journey, or which part of the globe you're from, you'll Belong Better at Deakin Res.

Make it Memorable

Sometimes you never know the value of a moment until it becomes a memory. So when you make the move to live on-campus say 'no' to less and 'yes' to more. The wide range of events (trivia nights, hallway dinners, yoga sessions, music events, regional adventures and more) - all free, means you are guaranteed to find an event to match your interests and by saying 'yes' you will meet so many amazing people along the way.

Live Well

Feeling safe in every possible way - culturally, physically and emotionally - is our number one priority. It starts with friendly staff available 24/7, well maintained spaces for you to hang out in, and your own lockable bedroom for when you need downtime. Together we create a healthy and happy community guided by our Community Values of RESPECT.

"Living on campus has made my first two years of university very enjoyable and allowed me to acclimatise to city living. The residential team has helped me live in comfort, make life-long friends, and enjoy my first two 'solo' years in Melbourne. I feel more prepared than ever for life after uni."
