What made you choose to live on the Waterfront Campus?

Live a full life at Geelong Waterfront Campus

Living on-campus is the perfect step between living at home and living independently. It's a place where you can safely navigate uni life with excitement (think making new BFF's, expanding your cooking repertoire, and mastering a budget) so you can make the most of your uni experience.

Get Connected

Nestle straight into Victoria's happiest university*. Our helpful humans (Residential Leaders) will be on-hand to get you settled in and connected. Geelong Waterfront offers a tight-knit, welcoming and inclusive community, with lots of opportunities to meet new people, learn new skills and immediately feel at home.

You'll have close connections with Waterfront Campus residents, with the chance to represent your college in our annual football match and other competitions throughout the year.

Live Well

Feeling safe in every possible way - culturally, physically and emotionally - is our number one priority. It starts with friendly staff available 24/7, well maintained spaces for you to hang out in, and your own lockable bedroom for when you need downtime. Together we create a healthy and happy community guided by our Community Values of RESPECT.

Make it Memorable

Sometimes you never know the value of a moment until it becomes a memory. So when you make the move to live on-campus say 'no' to less and 'yes' to more. The wide range of events such as Stand Up Paddle Boarding, hallway dinners, res sport, food truck events, regional adventures and more - all free, means you are guaranteed to find an event to match your interests and by saying 'yes' you will meet so many amazing people along the way.

Belong Better

With one ear to the ground and one to your heart, we'll lift you up, or give you a nudge so you become part of your new community. We are intentionally inclusive, celebrate diversity and believe everyone has a voice. So, no matter your journey, or which part of the globe you're from, you'll Belong Better at Deakin Res.

"The convenience of living on campus is unbeatable, with the university right across the road and everything we could possibly need within walking distance. Everyone is super friendly and it really is the best way to meet new people, adjust to independent life and obtain the full student experience."
