

In 2018, Blue Lagoon completed a significant expansion, opening the Retreat at Blue Lagoon Iceland. Encompassing a subterranean spa, a geothermal lagoon, a Michelin-starred restaurant that reimagines Iceland's culinary traditions, and a 60-suite hotel encircled by the Blue Lagoon's mineral-rich waters, the Retreat is a place where guests can leave the world behind and enter a timeless realm of relaxation, rejuvenation, and exploration.

The Blue Lagoon Suite
