In-Water Massage

The Retreat at Blue Lagoon Iceland

Born of a desire to unify the dynamic pleasures of massage therapy, the revitalizing powers of geothermal seawater, and the otherworldly beauty of the Blue Lagoon's volcanic landscape, in-water massage unlocks new vistas of wellbeing for your mind, body, and spirit.

Signature In-Water Massage

120 min | ISK 48900

The ultimate expression of the Blue Lagoon in-water experience, our 120-minute Signature Massage recharges your mind and leaves your body cleansed, nourished, and radiant.

Beginning with a salt glow, your skin is scrubbed and polished with Blue Lagoon mineral massage oil. The salt glow is followed by a silica or algae wrap: your body is swathed in the element of your choosing and you lie on a floating mattress while your face and scalp are gently massaged. The third and final stage of the treatment is a 60-minute full body Relaxing Massage.

Bringing you to a place of unique, exhilarating wonder, the interplay of massage and nature opens the door to timeless rejuvenation.

Relaxing In-Water Massage

30 min | ISK 17400

60 min | ISK 30400

Surrounded by lava and suspended in the mineral-rich warmth of a secluded expanse of the Blue Lagoon, you float on the tranquil waters of a wonder of the world. With the arctic sky above and the tectonic earth below, your massage—deep, relaxing, and conducted with Blue Lagoon mineral massage oil—brings you to new dimensions of physical and emotional serenity.

Relaxing In-Water Massage with Full Body Silica Salt Scrub

60 min | ISK 37700

90 min | ISK 44900

Combining the natural powers of silica with the luxurious pleasures of in-water massage, your treatment begins with a deep cleansing, exfoliating silica salt scrub that stimulates circulation, strengthens the skin barrier function, and leaves your body smooth, glowing, and revitalized. The silica salt scrub is followed by a 30/60 minute, deeply relaxing massage conducted with Blue Lagoon massage oil— bringing you to new dimensions of physical and emotional serenity as you float on the lagoon's transformative waters.

The soothing interplay of pressure and release unlocks reservoirs of tension, stress, and fatigue as your massage restores peace and harmony to your mind and body—bringing forth a river of physical and emotional wellbeing.
