## In-Water Massage

Born of a desire to unify the dynamic pleasures of massage therapy, the revitalizing powers of geothermal seawater, and the otherworldly beauty of the Blue Lagoon's volcanic landscape, in-water massage unlocks new vistas of wellbeing for your mind, body, and spirit.

## Signature In-Water Massage

120 min | ISK 49900

The ultimate expression of the Blue Lagoon in-water experience, our 120-minute Signature Massage recharges your mind and leaves your body cleansed, nourished, and radiant.

Beginning with a salt glow, your skin is scrubbed and polished with Blue Lagoon mineral massage oil while lying on top of a partially submerged table. The salt glow is followed by a silica or algae wrap: your body is swathed in the element of your choosing and you lie on a floating mattress, covered with a blanket, while your face and scalp are gently massaged. The third and final stage of the treatment is a 60-minute full body Relaxing Massage.

Bringing you to a place of unique, exhilarating wonder, the interplay of massage and nature opens the door to timeless rejuvenation.

The silica salt scrub is followed by a 30/60 minute, deeply relaxing massage conducted with Blue Lagoon massage oil— bringing you to new dimensions of physical and emotional serenity as you lie on a floating mattress, covered with a blanket, in the lagoon's transformative waters.

## Bench Massage

Scented massage oil composed of the Blue Lagoon's elemental treasures is the foundation for all of our treatments, enabling the nurturing discourse between your therapist and the dormant regions of your tissues and muscles. The soothing interplay of pressure and release unlocks reservoirs of tension, stress, and fatigue as your massage restores peace and harmony to your mind and body—bringing forth a river of physical and emotional wellbeing.
