RE: Licensure Status – Facility # 5298

Dear Laboratory Director:

I am writing regarding the licensure status of Foundation Medicine Inc, 150 Second St, Cambridge, MA, Facility # 5298. Please note that although the expiration date has passed the following is in effect.

In accordance with section 13 of Chapter 30A of the Massachusetts General Laws (MGL), “..if a licensee has, in accordance with any law and with agency regulation, made timely and sufficient application for renewal, his license shall not expire until his application has finally been determined by the agency.”

A review of files indicates that the application for renewal of the license was timely received. Therefore, under the MGL, license remains in effect until such time as Department takes action on the license application.

Please let me know if I can be of further assistance.

Respectfully yours,

A handwritten signature in blue ink that reads "Pamela Waksmonski".
