

1820 ROOFTOP BAR AND TERRACE

Here at the 1820 Rooftop Bar the cocktail concept is simple: What if John Walker had opened a cocktail bar instead of a grocer? We think the answer would be a combination of amazing fresh local produce and showcasing global herbs, spice and cuisines.

We have a super team of curious bartenders who operate in a kitchen style lab environment where the majority of ingredients for our cocktails are made right here at Johnnie Walker Princes Street. Allowing for some innovative flavour combinations combined with storytelling from a richly diverse team.
