

GCSE Revision Class Tutors

Paid Casual Work for GCSE Revision Tutors to run online sessions on Universify's access programme for students in Year 10/11.

Subjects: English, Maths, Biology, Chemistry and Physics

Dates: 20th March, 27-28th March

Universify Education is looking for **enthusiastic, experienced teachers** to act as GCSE revision tutors for our Spring programme days on 20th, 27th and 28th March. Successful applicants will plan and deliver two and half hours of revision sessions on Zoom, with two 15-minute breaks.

ABOUT THE ROLE

As a **Subject Specific Tutor** you will be responsible for providing topic led subject specific GCSE revision classes to a small group of Year 11 students who attended our university access course in the summer. We are looking for you to take on a tutoring role guided by the students' revision interests, which will be curriculum based and provided in advance. The course is supported by a volunteer team who provide pastoral care to the students.

Main Duties

- Create a positive and interactive online learning experience
- Prepare suitable revision materials in advance or have recommendations to make
- Engage every student and help them to get the most from the class
- Provide good classroom management appropriate to Year 11

Practical details

- **Pay:** £28 per hour
- Teaching will take place over Zoom.

APPLY

Please complete [our application form](#) as soon as possible. Interviews will be held on a rolling basis, beginning immediately, until all positions are filled.

ABOUT US

Universify Education is a charity committed to educational equality. Our vision is that universities become open to anyone with academic potential regardless of their background. We inspire Year 10-11 students from non-selective state schools to strive for, apply to, and be accepted at highly selective universities.

We run a year-long programme, with 3 key elements:

1. 6-day summer course in August
2. Monthly academic coaching until students complete their GCSEs
3. 2-day GCSE-focused Spring course with 1 day focussed on GCSE Attainment

The need for access and outreach is more important than ever before. The Education Endowment Foundation estimates that lockdown has already undone the last 10 years of work in closing the attainment gap between disadvantaged students and their peers.

During the pandemic, we have continued to support students, moving our programmes online to deliver three successful online courses. Our academic programme is fundamental to our goal of raising aspirations and attainment among students at risk of not meeting their potential in education.

PRIVACY, SAFEGUARDING AND WORKPLACE ADJUSTMENTS

Universify Education is committed to safeguarding and protecting children. We check references and undertake enhanced Disclosure and Barring Service (DBS) checks to ensure all staff are suitable to work with children.

Please note that all personal information submitted via our application form will be treated in accordance with our [data protection policy](#).

We want all our tutors to feel supported and listened to at Universify. We are always happy to discuss any adjustments to the application process or role that you may require. For more information, please email info@universifyeducation.com
