## Damage to your windshield?

### We repair windshields when:

- the damage is smaller than a loonie
- the damage is not in the driver's critical viewing area
- the damage isn't a previously failed repair
- the damage isn't over any sensor or camera system, and
- the damage isn't over a heated windshield element.

#### NOTE:

- windshield damage that doesn't meet the repairable limits will need to be replaced, and
- maximum of three damage areas repaired per claim.
