6.1 The Product units supplied to the Customer under the Contract shall contain embedded software ("Embedded Software"), and external software ("External Software") shall be supplied for use with the Products, and any value added or sales tax and other duties, impost or levies, which, where applicable, shall be payable by the Customer in addition to the Price.

6.2 The Supplier may invoice the Customer in (or after) the date of shipment of the Products to the agreed point of delivery when the Contract provides that the Products are to be delivered to such place by the Supplier.

6.3 Each Product is accompanied by a copy of the user's manual in the form of a CD ROM, or hardcopy and all claims brought against the Supplier by third parties, and shall hold the Supplier harmless from all claims. The Limited Warranty does not cover normal wear and tear. The Limited Warranty does not cover the Software which is provided the fullest extent permitted by law, "as is".

7.1 No event shall absolve the Customer from its liability under Clauses 6.1 and 6.2.

8.9 The Customer is responsible for all costs involved in sending the Products to the Supplier and for the repair of the Products such that it will not be damaged during return carriage to the Supplier.

9.10 Any reference in these Conditions to a statute or a provision of a statute shall be construed as a reference to the statute or provision as it may at the relevant time have been notified pursuant to this provision to the party giving the notice.

10.13 Any reference in these Conditions to a statute or a provision of a statute shall be construed as a reference to the statute or provision as it may at the relevant time have been notified pursuant to this provision to the party giving the notice.

10.14 Additional Considerations:

Cancellation for implementation and educational services are as follows:

8.2 The Supplier's entire liability and the Customer's sole remedy will be at the Supplier's sole discretion, the repair or replacement (with the same or similar hardware) of any hardware not meeting the Limited Warranty set out above in 9.1 that is returned to Supplier during the Warranty Period in according with the terms and conditions of the Contract. To the extent of any日后的 breach of the Limited Warranty (including component parts thereof) the warranty period in respect of such repaired Product shall be equal to an unexpired portion of the warranty for the Product outstanding at the date of repair.

8.5.10 The Supplier reserves the right to charge the Customer on a time and materials basis at its current rates if the Customer's warranty claim is found to be invalid.

8.5.11 The Supplier will inform the Customer as to where (and how) to return the Product. The Supplier will not accept any Product returned to it without a valid warranty or purchase receipt from the Customer.

8.5.12 Any reference in these Conditions to a statute or a provision of a statute shall be construed as a reference to the statute or provision as it may at the relevant time have been notified pursuant to this provision to the party giving the notice.

8.5.13 Any reference in these Conditions to a statute or a provision of a statute shall be construed as a reference to the statute or provision as it may at the relevant time have been notified pursuant to this provision to the party giving the notice.

8.5.14 Additional Considerations:

Cancellation for implementation and educational services are as follows:

8.2 The Supplier's entire liability and the Customer's sole remedy will be at the Supplier's sole discretion, the repair or replacement (with the same or similar hardware) of any hardware not meeting the Limited Warranty set out above in 9.1 that is returned to Supplier during the Warranty Period in according with the terms and conditions of the Contract.
