MODULE 2 / KŌWAE TUARUA: E-COMMERCE

Learning Hours: 40

Introduction to the tools and techniques to setup an e-commerce site. Develop marketing requirements to launch an online business.

Do I need any prior experience?

You do not need any experience in e-commerce, however you are required to have basic computer skills and an interest in business.

How many NZQA credits will I gain?

You will gain 7 level 5 NZQA credits, finishing with a level 5 Certificate in E-Commerce. Yoobee is a Category 1 provider, which means you will be receiving the highest tertiary education available.

Who can enrol?

Anyone can enrol! We would love to have you on board with us. However, you must be at least 16 years of age. For further information & entry requirements, visit www.yoobee.ac.nz.

What platform is the online teaching run on?

All of our online teaching is run through Microsoft Teams, so you will need access to this (as well as reliable internet).

FREQUENTLY ASKED QUESTIONS . . .

Is there homework?

There is 10 hours of learning per week. 6 of these are contact learning with your tutor, and you are expected to put in an average of 4 hours of self-directed learning per week.

How can I develop my skills even further?

We recommend studying the *UX Design Micro-credential and Digital Marketing Micro-credential* as well as this course if you want to take your skills to the next level. These courses run on alternate days, so you are able to study both at the same time and gain a double qualification. Hit the ground running with our *Design Labs (UX Design and Digital Marketing)*, which give you the opportunity to apply the skills you've learnt and be relevant in the industry.
