

Faru Faru

SERENGETI, TANZANIA

Singita

“Faru Faru offers a front-row seat to the Serengeti, where the river flows, wildlife gathers, and the landscape reveals something new with each passing moment.”

— Jo Bailes, CEO

Our purpose

Singita is a conservation-led ecotourism brand. Guided by an enduring purpose to protect and preserve large areas of African wilderness for future generations, we curate journeys and experiences across some of the continent's most expansive, untouched concessions — striving, always, to inspire a deeper sense of care for nature and for Africa itself.

THE GRUMETI FUND

The **Grumeti Fund** is an independent non-profit organisation. Our conservation partner in Tanzania and the custodian of 350,000 acres of wilderness along the western corridor of the Serengeti, where **Singita Grumeti** is located, its team works tirelessly in the pursuit of a world in which people and wildlife coexist sustainably, forever.

Faru Faru

Surrounded by thickets along the Grumeti River, shaded by lively, chattering canopies, Faru Faru is intimate and sheltered yet deeply connected. Its openness and warm, earthy palette invite a sense of ease, as if the land breathes lighter here — and you with it. Linger in the shade of the day, watching wildlife pass by and gather at the waterholes around you, or follow the dirt paths that connect each space, free and part of the wild. As night falls, the mood shifts. The lodge comes alive, energised by fire, music, and the excited hum of conversation.

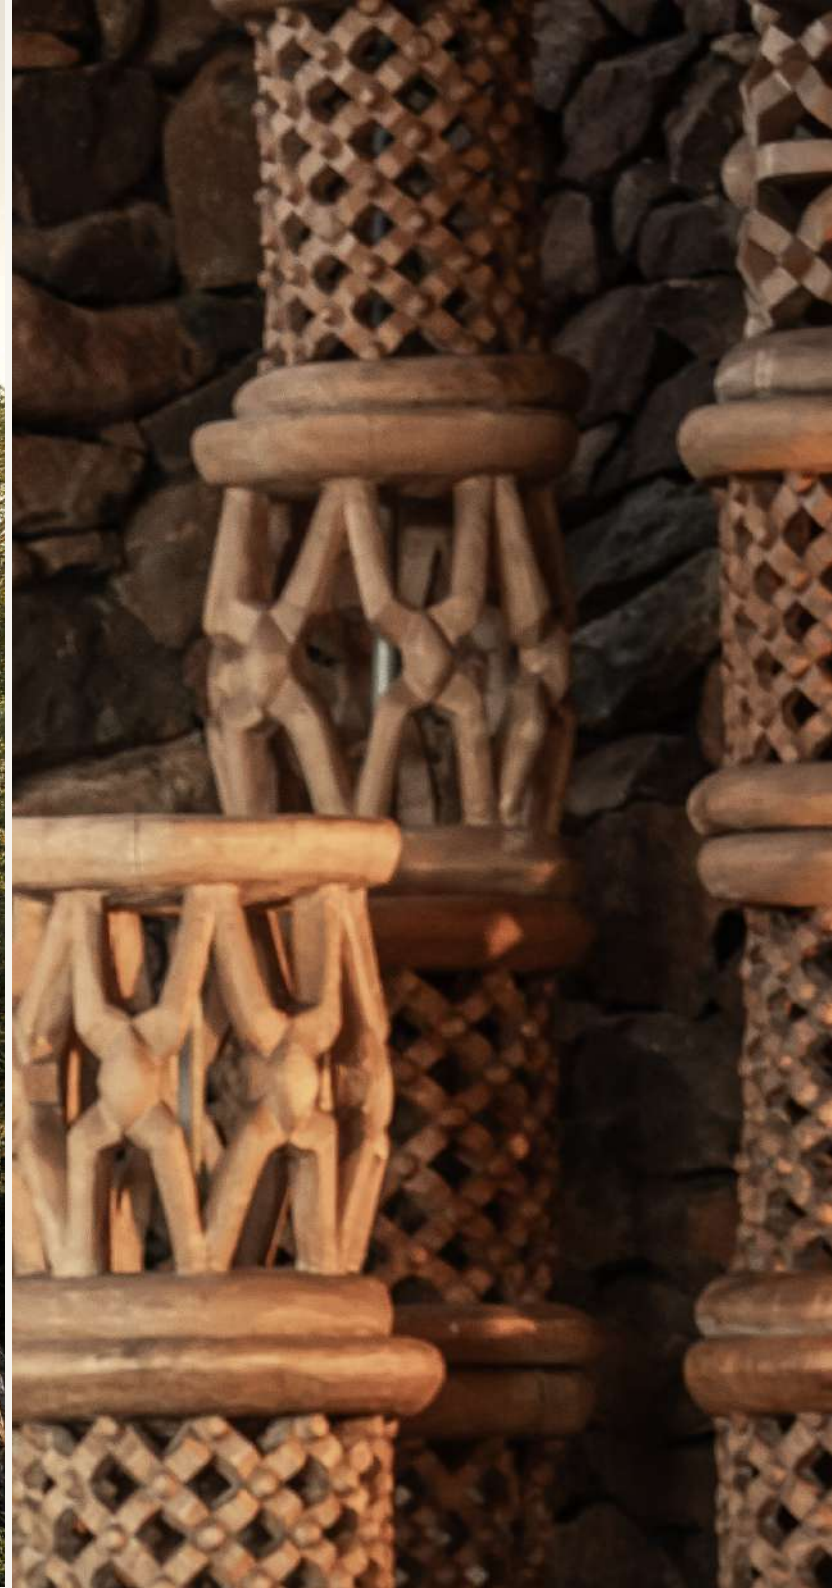

Hear the landscape
come alive.
