- A minimum of 5 years' work experience in the guiding, security or environmental field.
- A hardworking, co-operative manner.
- High standards of service excellence and a passion for the hospitality industry, environmental management and wildlife preservation.
- Exceptional English and a second language, Shangaan, would be preferable.
- Good computer literacy.
- Excellent management ability and communication skills.
- A clear understanding of basic labour law and disciplinary procedures.
- Assertiveness, patience and good organizational skills

### Skills & Experience

- Basic knowledge of IT systems and processes
- A good Health & Safety and Conservation ethics
- Have thorough technical knowledge and understanding of vehicles, operations and equipment;
- Have a good business sense and ability;
- Have the ability to be a strategic thinker and developer;
- Be an effective manager of people;
- Be mature efficient and personally well organized;
- Have strong time management and self-discipline;
- Have high energy levels;
- Be flexible and responsive;
- Valid first aid certificate
- SASSETA Certificates
- A valid South African Code 8 Driver's license and PDP
- Ability to keep calm in stressful situations
- basic knowledge of tracking and specifically man tracking

## Conservation Manager

SINGITA KRUGER NATIONAL PARK

---

### Expectations

- Key liaison between Singita and the Kruger Park Section Ranger.
- This is to prevent any incident of mistaken identity during security or APU operations.
- Management of relations and act as the conduit between Singita management and guides with SANParks.
- To minimize contact between guests and security forces on the concession.
- To insure that the various security-related teams and anti-poaching units are giving Singita the necessary attention in order for it to be safe for the guests and staff.
- Monitor and engage military and other deployments on the concession
- To assist and advise on any security issues that may arise at the lodges.
- Active member on the Singita Health and Safety committee.
- Coordinate problem animal control between Singita and the Kruger Park Section Ranger.
- To monitor and insure that the digital radio system remains in working order, which will insure that communication is maintained with the various role players.
- Perform non-combatant security functions.
- Represent Singita environmental interests with SANParks.

### Expectations

- Assist Environmental Consultant with duties when not on site.
- To oversee environmental teams when working on site.
- To assist GM with concession-related duties.
- To act as a fire protection officer for the concession under KNP-FPA.
- Keep an up-to-date database of all environmental issues.
- Ensure ongoing, responsible environmental management.
- Coordinate EIA/ROD inputs with the Environmental Consultants and Head Guide.
- The security of the lodges, its guests, and staff is at the required high level; the CCTV system is managed daily and any breaches in security are investigated and resolved timeously.
- Maintaining detection zones on the concession as well as checking them daily for incursion.
