VALO® Ortho and VALO® Ortho Cordless are revolutionary broadband LED curing lights designed specifically for orthodontists.

- Unique Xtra Power Quadrant mode quickly and efficiently cures five teeth with one touch of a button
- Powerful, optimally collimated beam delivers consistent, even cures directly over the labial face of the bracket
- Slim, low-profile design allows unprecedented access anywhere in the mouth
- Intuitive timer controls are easy to operate and user-friendly
- Highly efficient LEDs keep the wand body cool to the touch

VALO Ortho

- Extra-durable Kevlar® cord provides continuous power, eliminating the need for charging
- Quick-disconnect feature makes it easy to detach the cord and move VALO Ortho without having to unplug it from the wall
