

Try ChlorCid™, ChlorCid™ Surf, EDTA, and the Award-Winning Consepsis™ Irrigants

in economical 480 ml bottles

Endo Irrigants

Save money and reduce waste in your office with our new economy-size bottles of irrigants. These bottles feature a unique lid with a flip-top spout that makes it easy to dispense the irrigant directly into a syringe or small container—so easy, in fact, you can do it with one hand!

Save when you purchase your irrigants from Ultradent!
