

Powerful, professional whitening to go!

Opalescence Go whitening features ready-to-go convenience with the UltraFit™ tray for an even more adaptable and comfortable whitening experience.

- Unique tray material offers a remarkably comfortable fit and easily conforms to any patient's smile
- Molar-to-molar coverage ensures the gel comes in contact with more posterior teeth
- UltraFit tray's superior adaptation ensures the maximum amount of gel stays in contact with the teeth during whitening
- Available in 10% hydrogen peroxide (with wear times from 30–60 minutes) and 15% hydrogen peroxide (with wear times from 15–20 minutes)
