

## Toothpicks vs. Opalpix Interproximal Cleaners

- Thin tip design allows easy cleaning access, even in tight contacts
- Will not splinter or break
- Perfect balance between flexibility and rigidity
- Massages interproximal tissue while removing debris and plaque
- Personalized stickers available with 100pk upon request

6600 Opalpix 12pk\*    5590 Opalpix 100pk\*

*\*Each pack contains 32 Opalpix interproximal cleaners*
